

REQUEST FOR SPONSORSHIP

We are asking for your valuable support for the Beads of Courage Colour Festival Fun Run held on August 27, 2022 at Lakeview Park in Saskatoon.

The Beads of Courage Colour Festival Fun Run in celebration of Doug Gillespie benefitting Beads of Courage-Canada is an un-timed 5 km event open to people of all skill levels. Participants will pass through colour stations, accumulating colours on their bodies - symbolizing the colourful strands of beads these courageous children use to tell the stories of their medical journey.

Currently, the Beads of Courage Program is available at:

- Jim Pattison Children's Hospital (All chronic patient populations including the NICU)
- Saskatoon Cancer Centre
- Regina General Hospital (All chronic patient populations including the NICU)
- The Allan Blair Cancer Centre in Regina
- Beads in the Mail Program throughout the province for children who live far from the hospital or are treated in the province where they do not receive beads by their health professional.

Your sponsorship makes it possible for children coping with serious illness to RECORD, TELL and OWN their stories of COURAGE through the Beads of Courage Program. The run/walk also brings awareness and education to the general public about the program as well as provides a fun family friendly experience.

This annual run raises 90% of the funds necessary to provide the Beads of Courage Program throughout Saskatchewan. Without this crucial funding the program will not be possible and children coping with serious illness will not be able to receive their beads from their medical providers.

Your organization has the opportunity to support youth and health in Saskatchewan by joining as a LOVE, HOPE or SMILES level sponsor.

● LOVE Sponsor \$2000

● HOPE Sponsor \$1000

● SMILES Sponsor \$500

With gratitude,

Jen
